

Please keep the K-LOVE Radio Stations FM 107.1, FM 100.9, and FM 92.9 active. We support the K-LOVE station financially because it provides wholesome, inspiring Christian music that helps our family live joyfully, morally and productively for God and the our community. If K-LOVE is taken off the air our community will lose a strong positive influence to live moral, upright lives. All people need inspiration to do good and need guidance to pray and to be reminded that God is good all the time and cares about them more than they can imagine. K-LOVE provides inspiring moral teaching that is helpful to our community and is important for best interests of the public. Sincerely, Delbert G. Martin
